

# ECM- SSL 证书安装使用指南 ECM- SSL Certificate installation

版本号: ITSC2025032001

1.	安装证书 Certificate Installation	1
2.	安装后登录 Login vDrive	3

### 1. 安装证书 Certificate Installation

(1) 获取新的 SSL 证书, 在电脑安装:

Get a new SSL certificate and install it on your computer

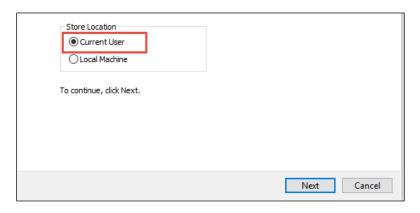

(2) 鼠标右键点击 SSL 证书文件, 在菜单选择 install

Right click on the SSL certificate file and select install in the menu.

(3)选择当前用户,点击下一步

Select the current user and click Next

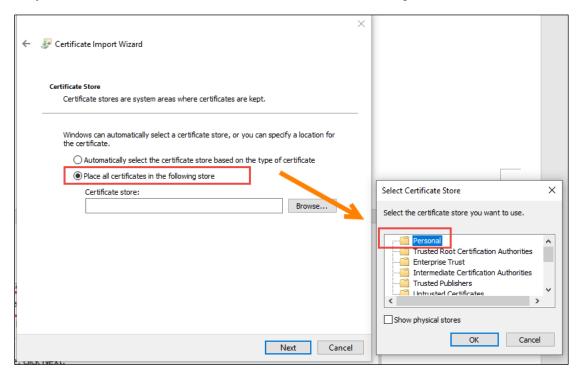

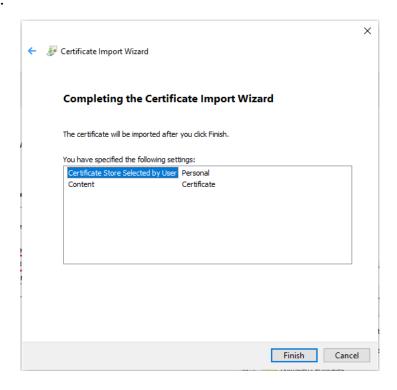

#### (4) 手动选择安装位置,选择个人文件夹

Manually select the installation location and select personal folder

#### (5)完成安装

Finished.

## 2. 安装后登录 Login vDrive

安装后, ECM vdrive 登录的地址, 要改成 https://ecm.uic.edu.hk ,选择有效期最新的 SSL 证书,确认并登录即可;

After installation, the address of ECM vdrive login should be changed to https://ecm.uic.edu.hk

Select the new SSL certificate when you log in for the first time after the update, confirm and log in.

The End.
